**Notice to the shareholders of Macquarie Fund Solutions**

Dear shareholder,

1. The board of directors of the Company (the “**Board**”) would like to inform you about the change of name of the following share classes with effect from 22 January 2018:
  - all share classes denominated “Class C” will be renamed “Class I”;
  - the letter “H” shall be included in the name of hedged share classes;
  - distributing share classes will contain the mention “(dist)” instead of the current mention “dist” in their name; and
  - share classes denominated in euro will contain the mention “EUR” instead of the current mention “(EURO)” in their name.

These changes of share class names have no impact on the features of these share classes.

2. The risk warning on small- and mid-cap investments inserted in the annex relating to the sub-fund “Macquarie China New Stars Fund” has been added to update the actual list of risks but the investment objective and policy of this sub-fund remains unchanged.

The draft Company’s prospectus reflecting the above changes is available free of charge at the Company’s registered office.

Yours faithfully,

The board of directors of the Company
