

Where will a career at  
Macquarie take you?

Macquarie is a diversified financial group providing clients with asset management and finance, banking, advisory and risk and capital solutions across debt, equity and commodities.

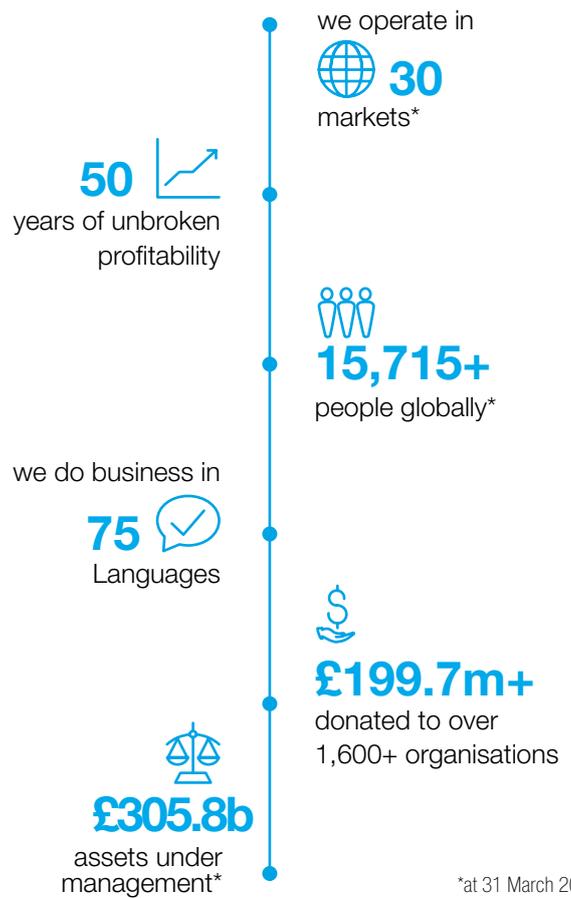

We also manage farms, airports, renewable power stations, roads and real estate. We build bridges, wind farms, schools, power grids and hospitals. And we produce beef, gas, fuel, electricity and avocados.

Our Graduate and Intern Programmes will enable you to develop your skills and build your career while sitting side-by-side with our business leaders and have the opportunity to work on projects from day one.

Macquarie opens up a wealth of career opportunities and offers a wide range of benefits to employees.

It's up to you to own your future.

## Macquarie at a glance

\*at 31 March 2019

Didn't study finance?

At Macquarie, we value diversity of thought from people with different backgrounds. We're always looking for people who share our drive for innovation, ideas and excellence, no matter what their university degree is.

<sup>6</sup> Inframation, Project Finance FY 2018.

# Programmes

## Insight Programme Technology Insight Programme

An opportunity to explore and immerse yourself in the financial services sector and see first-hand how you can contribute to our business.

Students in their first year (or second year of a four year course)

Four day programme

Accepting applications from:  
1 September–31 December

## Intern Programme

We offer summer internships to students in their penultimate year of study.

The programme runs for nine weeks over summer. It offers you valuable hands-on experience and can set you up for a successful career once you complete your degree. Working alongside leading industry professionals you will receive a structured induction, on-the-job training and networking opportunities.

Students in their penultimate year

Nine-week programme

Accepting applications from:  
1 September–8 November

## Graduate Programme

If you're in your final year of study, join the Macquarie Graduate Programme and become an integral member of the team from day one. Your career development starts with a tailored orientation and business specific workshops. You will then embark on a structured programme with on-the-job-training, access to a comprehensive range of internal and external courses and the opportunity to build your professional network.

Final year students

Full-time role

Accepting applications from:  
1 September–31 October
