Dividend or distribution reinvestment plan details

The Company's Dividend Reinvestment Plan (DRP) remains activated. The DRP is optional and offers ordinary shareholders in Australia and New Zealand the opportunity to acquire fully paid ordinary shares without transaction costs. It is expected that shares allocated under the DRP will be acquired on market ⁽²⁾. The shares will rank pari passu with other ordinary shares already on issue. The allocation price will be determined in accordance with the DRP rules as the arithmetic average of the daily volume weighted average market price of all Macquarie Group shares sold through a normal trade on the ASX trading system over the five business days commencing on the fourth business day after the record date. A shareholder can elect to participate in or terminate their involvement in the DRP at any time. Election notices for participation in the DRP in relation to the final dividend to be paid on 12 December 2013 must be received by the registry by 5:00 pm on 15 November 2013 to be effective for that dividend.

⁽²⁾ Shares will be issued if purchasing becomes impractical or inadvisable.

Control gained or lost over entities during the period, for those having a material effect

There were no material entities over which control has been gained or lost during the period.

Events after the reporting period

Following a Board decision effective on 1 November 2013, shareholders will vote on a proposal to distribute approximately 340 million Sydney Airport (SYD) stapled securities (SYD Securities) (Distribution) to Macquarie ordinary shareholders and consolidate Macquarie ordinary shares (Consolidation).

If the Distribution is approved, eligible Macquarie ordinary shareholders will receive one SYD Security for each Macquarie ordinary share held. At 30 September 2013, these SYD Securities were recognised in the Statement of Financial Position within Investment securities available for sale at a carrying amount of \$1,336 million. As described in note 19 of the 30 September 2013 Interim Directors' Report and Financial Report, the fair value is determined by reference to SYD's quoted market price. Upon distribution, the investment in these SYD Securities will be reduced along with a corresponding reduction in equity, and the cumulative amount carried in the Available for sale reserve in equity will be recycled to profit. At 30 September 2013, the cumulative amount carried in the Available for sale reserve related to the 340 million SYD Securities is \$207 million, net of tax. The closing price of SYD Securities on the trading day prior to distribution will be used for recording the Distribution and will affect the amount recognised in profit.

If the Consolidation is approved there will be a conversion of one Macquarie ordinary share into 0.9438 Macquarie ordinary shares.

Events after the reporting period continued

The Distribution will be implemented through a special dividend equal to 31 per cent of the Distribution per share (Special Dividend) and an equal reduction of capital equal to 69 per cent of the Distribution per share (Capital Return). The Special Dividend and the Capital Return will be satisfied by the in specie distribution of SYD Securities to Macquarie ordinary shareholders on the basis of one SYD Security for each Macquarie ordinary share. The Special Dividend component of the Distribution will be 40 per cent franked and all of the unfranked portion of the Special Dividend will be conduit foreign income. Macquarie's Dividend Reinvestment Plan will not operate for the Special Dividend as it is not a cash dividend.

The Capital Return and Consolidation require the approval of Macquarie Shareholders and a general meeting will be convened on 12 December 2013 for this purpose and to approve some changes to the constitution. Macquarie Shareholders will receive the Notice of Meeting for the general meeting in coming days. The Board has resolved to pay the Distribution subject to Shareholders approving the Capital Return and amending the constitution. If approved, the record date for the Distribution is expected to be 20 December 2013 and the Distribution is expected to be made on 13 January 2014. These dates are subject to change and the key dates for the Distribution and Consolidation will be included in the Notice of Meeting.
