### Dividend or distribution reinvestment plan details

The Company's Dividend Reinvestment Plan (DRP) remains active. The DRP is optional and offers ordinary shareholders in Australia and New Zealand the opportunity to acquire fully paid ordinary shares without transaction costs. It is expected that shares allocated under the DRP will be acquired on market<sup>(2)</sup> and allocated on the dividend payment date. The shares will rank pari passu with other ordinary shares already on issue. The allocation price will be determined in accordance with the DRP rules as the arithmetic average of the daily volume weighted average market price of all Macquarie Group shares sold through a normal trade on the ASX trading system over the twelve business days commencing on the third business day after the relevant Election Date, being the business day after the record date (Market Value). The previous discount to the Market Value has been removed. A shareholder can elect to participate in or terminate their involvement in the DRP at any time. Election notices for participation in the DRP in relation to the final dividend to be paid on 02 July 2015 must be received by the registry by 5:00 pm on 21 May 2015 to be effective for that dividend.

<sup>(2)</sup>Shares will be issued if purchasing becomes impractical or inadvisable.
