Government Guarantee on deposits

The Cash Account is a deposit account with Macquarie Bank Limited (ABN 46 008 583 542) (Macquarie Bank) and is eligible for coverage under the Financial Claims Scheme (FCS) (commonly referred to as the Australian Government deposit guarantee). The FCS has been established by the Australian Government to provide depositors with locally incorporated Authorised Deposit-taking Institutions (ADIs) (such as Macquarie Bank) a guarantee on deposits.

The FCS covers aggregate retail cash deposit accounts of up to \$A250,000 held by one account holder with Macquarie Bank. This means that the \$A250,000 limit applies to the aggregate of any cash amounts held in your Cash Account plus any other eligible deposit account you hold with Macquarie Bank.

The amount covered by the FCS is subject to ongoing review by the Government and financial regulators, and as such may be subject to change.

You should make your own assessment as to whether the FCS applies to your Cash Account at any time. If the FCS is available to you, it will apply in respect of the amount deposited in your Cash Account to an amount no greater than any positive funds balance you have in your Cash Account. You should note that how the FCS applies to your Cash Account depends on certain matters beyond Macquarie's control, such as regulatory determinations by the Australian Prudential Regulation Authority (APRA). The nature of the FCS may also change over time. We now set out a brief summary of the operation of the FCS and refer you to an associated website to assist you in making this assessment.

If APRA applies for Macquarie Bank to be wound up and you hold less than \$A250,000 with Macquarie Bank in accounts to which the FCS applies, in respect of your Cash Account, we expect an amount equal to no more than the sum of any positive funds balance and any blocked funds you have in your Cash Account (plus any accrued interest on your positive funds balance) to be covered by the guarantee in relation to your Cash Account. The FCS is provided for in the Banking Act 1959 (Cth). In addition to APRA's application, the Australian Federal Treasurer would also need to make a declaration that the FCS applies to Macquarie Bank.

How will this affect my Cash Account?

A permanent guarantee cap of up to \$A250,000 per account holder per ADI applies.

The guarantee only applies to deposits denominated in Australian dollars.

In the case of joint Cash Accounts, each Cash Account holder's share of the joint Cash Account will be added to other deposits held in their name and the FCS cap will be applied to the aggregated amount for each Cash Account holder. Each Cash Account holder is entitled to an individual guarantee up to the FCS cap of \$A250,000.

The FCS applies to an eligible ADI if Australian Prudential Regulation Authority (APRA) has applied for the winding up of the ADI and the responsible Australian Government minister has declared that the FCS applies to that ADI.

Where can I go to for further information?

Further information about the FCS can be obtained from the APRA website at www.fcs.gov.au and by phone on **1300 558 849** (or **+61 2 8037 9015** if calling from overseas).

a. Online Banking

For Online Banking, you and each Authorised User will either be required to set your own Password or change a temporary Password that we send you.

There may be times when Online Banking is unavailable from some computers and devices, for example, due to hardware or software restrictions or problems with internet connectivity. You and your Authorised Users are responsible for obtaining access to Online Banking. Specifically, you and your Authorised Users are responsible for all equipment necessary to access Online Banking. The system requirements to access Online Banking are set out in the Important Information Statement (available online).

b. Mobile Banking

To first access Mobile Banking you or an Authorised User will need to use an AC and Password. You and any Authorised User can then select a four digit PIN for your Mobile Device and use it in place of using an AC and Password each time.

c. Telephone Banking

To access Telephone Banking (sometimes referred to as Macquarie Phonelink) you or an Authorised User will need to call 133 275. You or an Authorised User will then need to log on using an AC and TPIN and follow the instructions given.

d. Authorised User access

Subject to clause 6, you may nominate another person to have access to your Cash Account through Electronic Banking by completing the appropriate form (available online). Authorised Users may be able to view, or both view and transact on, your Cash Account(s) through Online Banking, Mobile Banking or Telephone Banking, using their own Login Details. You must ensure that Authorised Users comply with the terms of this clause 8 where they apply to them. You will be liable for any transaction made by an Authorised User within the authority you give to them.

You may cancel the authority of an Authorised User in accordance with clause 6.9.

e. Adviser Initiated Payments

Subject to clause 6, you may enable an Authorised user to initiate a Payment from your Account, that will be completed on the successful input of a Secure Code provided verbally by you to them. You must ensure that Authorised Users comply with the terms of this clause 8 where they apply to them. You will be liable for any Payment made by an Authorised User where you have provided verbally to them the Secure Code that we sent you as a result of receipt by us on an initiated Payment request from an Authorised User.

8.3 Funds transfer

You or an Authorised User may be able to transfer funds from your Cash Account to another bank account through Electronic Banking. Enhanced security measures may be required for certain payments. See clause 8.7 for further details.

a. Processing your instructions

To make a funds transfer, you or an Authorised User will need the following information for the account you wish to transfer to:

- i. the account BSB
- ii. the account number, and
- iii. the account name.

You or the Authorised User must select the account from which the payment will be made and may also elect to provide a reference description of the transaction. We may provide you with email notification of funds transfer transactions. It is your responsibility to ensure that the email address is kept up to date by telling us if you change it.

Once a funds transfer instruction has been accepted by us, it cannot be cancelled except if it is a Scheduled Funds Transfer (see the *Wrap Cash Account fees, limits and lodgement times* for further information).

b. Scheduled Funds Transfers

You or an Authorised User can arrange to make a Scheduled Funds Transfer.

A Scheduled Funds Transfer may not be processed for a number of reasons, including if, on the day the Scheduled Funds Transfer is due:

- there are insufficient cleared funds in the Cash Account from which the payment is to be made, or
- the payment will cause the daily transaction limit for the Cash Account to be exceeded.

While we will use our best endeavours to make the requested Scheduled Funds Transfers, other than where we are required by law, we accept no responsibility for refusing or omitting to make all or any of the payments, for late payment, or for failing to follow your instructions.

For scheduled processing times, refer to the *Wrap Cash Account fees, limits and lodgement times*.

When providing instructions for any funds transfer, including any Scheduled Funds Transfer, it is your or the Authorised User's responsibility to ensure that the intended payee's account details are correct. We do not carry out checks to determine if the details provided in a funds transfer instruction are correct. For example, we do not check that the BSB and account numbers provided correspond with the account name of the payee.

Accordingly, any error made in entering details may result in a payment being made to an unintended recipient and it may not be possible to recover the funds. However, if the funds transfer is a Pay Anyone Payment the mistaken internet payments procedures below apply.

Instructions for a Scheduled Funds Transfer will remain in effect until they are revoked or otherwise terminated by you or us.

The Scheduled Funds Transfer instructions may be automatically cancelled if three consecutive Scheduled Funds Transfers are dishonoured due to insufficient funds in your Cash Account. If this occurs, we will notify you that your instructions have been cancelled. We will also charge to your Cash Account any dishonour costs payable.

When your Cash Account is closed, instructions that have been given us in relation to Scheduled Funds Transfers are terminated and no previously Scheduled Funds Transfers from the Cash Account will be processed.

You can modify or cancel a Scheduled Funds Transfer by making the required change(s) in Electronic Banking by the relevant cut off time (see the *Wrap Cash Account fees, limits and lodgement times* for details of relevant cut off times).

8.4 Mistaken payments

A Pay Anyone Payment that is made by you or an Authorised User to an unintended recipient is referred to as a Mistaken Internet Payment.

a. Mistaken Internet Payments made by you or an Authorised User

You or your Authorised Users should report Mistaken Internet Payments by calling us as soon as possible as delays may impact on our ability to recover the funds on your behalf.

We will need to collect information from you or an Authorised User that will allow us to investigate and determine whether a Mistaken Internet Payment has occurred. We will provide a reference number, or some other form of acknowledgement, which should be retained as evidence of the date and time of the report.

If we are not satisfied that a Mistaken Internet Payment has occurred, we will not take further action and you will be liable for the loss arising from the payment.

If we are satisfied that a Mistaken Internet Payment has occurred, we will send a request for the return of the funds to the ADI whose customer received the payment (known as the **receiving ADI**).

Sending this request to the receiving ADI requires us to disclose information to that ADI about your Cash Account and the Mistaken Internet Payment.

If the receiving ADI is also satisfied that a Mistaken Internet Payment has occurred and there are sufficient funds available in the account of the unintended recipient, the receiving ADI will attempt to recover the funds and return them to us and we will credit them to the Cash Account from which the payment was made. The following process will apply:

- where the Mistaken Internet Payment is reported to us within 10 Business Days after the payment is made, the receiving ADI is required to return the funds to us within 5 to 10 Business Days of receiving our request
- where the Mistaken Internet Payment is reported to us between 10 Business Days and 7 months after the payment is made, the receiving ADI will give the recipient 10 business day to establish that they are entitled to the funds, and if they do not, the receiving ADI will return the funds to us within 2 Business Days of the expiry of that period and
- where the Mistaken Internet Payment is reported to us more than 7 months after the payment is made, the receiving ADI will ask the recipient if they agree to the return the funds to us.

If the receiving ADI is satisfied that a Mistaken Internet Payment has occurred but there are insufficient funds in the unintended recipient's account to refund the amount of the payment, the receiving ADI will use reasonable endeavours to obtain a refund for you (for example, by

facilitating repayment of the funds by the recipient through instalments).

If the receiving ADI is not satisfied that a Mistaken Internet Payment has occurred, it may (but it is not obliged to) seek the consent of the recipient to enable the return of funds to us.

You will be notified in writing, within 30 Business Days of receipt of the report of a Mistaken Internet Payment from your Cash Account, of the outcome of our investigation. If you are not satisfied with how the report is handled by us, you can make a complaint.

b. Mistaken payments received by you

You may receive funds into your Cash Account where you are not the intended recipient due to a sender entering the wrong BSB number, account number or other identifying information when making an internet payment. This clause applies to that situation.

If you become aware of any payments into your Cash Account of which you are not the intended recipient, please contact us as soon as practical.

Where we receive a request for the return of funds from an ADI whose customer reports a mistaken payment into your Cash Account, we are satisfied that a mistaken payment has occurred, and there are sufficient funds in your Cash Account, we may:

- debit your Cash Account with the amount of the mistaken payment without notifying you or obtaining your consent (if the sender reports the mistake within 10 Business Days of the payment), or
- restrict your access to the funds and give you 10 Business Days to establish that you are entitled to the funds before debiting the Cash Account (if the sender reports the mistake after 10 Business Day but within 7 months of the payment).

Otherwise, we will seek your consent to return the funds.

If we are satisfied that a mistaken payment has occurred, but the balance of your Cash Account is less than the amount of the mistaken payment, we will contact you to discuss how best to facilitate repayment to the sender.

Where we are unable to determine that the payment was a result of a mistaken payment, we may still contact you to seek your consent to the return of the funds.

Notwithstanding the above provisions, if you are a recipient of income support payments from Centrelink, we will only seek to recover the funds from you in accordance with the Code of Operation for Centrelink Direct Credit Payments.

c. Unauthorised transactions

Your liability for unauthorised and fraudulent funds transfers will be determined in accordance with clause 8.9.

8.5 BPAY® payments

You or an Authorised User may be able to make BPAY® payments to Billers (which may include us) from your Cash Account through Electronic Banking. Macquarie is a member of the BPAY® Scheme and will tell you if it is no longer a member.

BPAY® payments can be made from your Cash Account and can be made immediately or on a date up to 12 months in the future.

Some Billers will not accept BPAY® payments from certain account types and others may have restrictions on the amount that can be paid by BPAY®.

Enhanced security measures may be required for certain BPAY® payments. See clause 8.8 for further details.

You can request access to your information held by BPAY® by contacting the BPAY® Privacy Officer on (02) 9646 9222 or email info@bpay.com.au, or by referring to the procedures set out in the BPAY® privacy policy which can be found at www.bpay.com.au/Privacy.aspx. BPAY®'s privacy policy contains information about how you may complain about a breach of the *Privacy Act 1988* (Cth), and the process by which your complaint will be handled.

a. Processing instructions

To make a BPAY® payment from your Cash Account, you or an Authorised User will need to select your Cash Account (where you also have accounts other than the Cash Account accessible through Electronic Banking) and provide the following details:

- the Biller code, and
- the Customer Reference Number (CRN).

We'll debit your Cash Account with the bill amount that you specify. We may provide you with email notification of BPAY® transactions. It is your responsibility to ensure that the email address is kept up to date by telling us if you change it.

Except for a scheduled payment (see the *Wrap Cash Account fees, limits and lodgement times* for further information), a BPAY® payment instruction cannot be cancelled.

If we are advised that a BPAY® payment cannot be processed by a Biller, we will notify you, credit your Cash Account with the amount of the BPAY® payment and take all reasonable steps to assist you in any further attempt to make the BPAY® payment.

When we make a BPAY® payment we are not acting as your agent or the agent of the Biller to whom the payment is directed.

b. Scheduled BPAY® payments

You and your Authorised Users can arrange for a BPAY® payment to be made up to 12 months in the future. Some Billers do not allow for recurring payments to be set up; we will notify you at the time of setting up the transaction if this is the case.

A scheduled BPAY® payment may not be processed for a number of reasons, including:

- the Biller no longer participates in the BPAY® Scheme
- there are insufficient cleared funds in your Cash Account on the day the payment is scheduled, or
- the payment would cause your daily BPAY® transaction limit to be exceeded.

For scheduled processing times, refer to the *Wrap Cash Account fees, limits and lodgement times*.

c. Mistaken BPAY® payments

Care should be taken by you and Authorised Users to enter the correct amount and Biller's details. If the amount entered is greater than intended, you or the Authorised User must contact the Biller to obtain a refund. If less, another BPAY® payment can be made to make up the difference.

If you or an Authorised User told us to pay the wrong Biller we will re-credit your Cash Account and will seek to recover that amount from the Biller. However, if we cannot recover the amount within 20 Business Days, we will debit your Cash Account for that amount. If there are insufficient funds or credit available on your Cash Account you must pay that amount to us. You acknowledge that the receipt by a Biller of a mistaken or erroneous payment does not, or will not constitute under any circumstances, part or whole satisfaction of any underlying debt owed between you and the Biller.

You should check your Cash Account carefully and promptly report to us any BPAY® payments you think are errors or that were not authorised by you or an Authorised User. The longer the delay between the date of the BPAY® payment and when we are informed of the error, the more difficult it may be to correct the error. You may need to liaise directly with the Biller to correct the error if, for example, because of delay, we no longer have sufficient information to investigate it.

For us to investigate a BPAY® payment from your Cash Account that may be unauthorised, you or an Authorised User must first give us your written consent, addressed to the Biller who received that BPAY® payment, authorising us to obtain information about your account with that Biller, or the BPAY® payment. You will need to include your CRN and any other information we require. If you do not give us the consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY® payment.

If we make a BPAY® payment to a person or for an amount not instructed by you or an Authorised User, and your Cash Account was debited with the payment, we will credit that amount back to your Cash Account.

Disputes in relation to unauthorised, fraudulent or wrong BPAY® payments will be handled in accordance with the Macquarie Complaints Policy. Your liability for unauthorised and fraudulent BPAY® payments will be determined in accordance with clause 8.9. No chargeback rights are available in respect of a BPAY® payment from your Cash Account.

Subject to clause 8.9:

- i. we are not liable for any consequential loss or damage you may suffer as a result of using the BPAY® Scheme, other than:
 - due to any loss or damage you suffer due to our negligence, or
 - in relation to any breach of a condition or warranty implied by law under consumer protection legislation which may not be excluded, restricted or modified at all or only to a limited extent, and
- ii. you indemnify us against any loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you or an Authorised User did not observe any of the obligations under this clause 8.5 or acted negligently or fraudulently in connection with their use of, the BPAY® Scheme.

d. Fraud-induced BPAY® payments

You must tell us promptly if you think that you have been fraudulently induced to make a BPAY® payment. We will attempt to rectify any such matters in relation to your BPAY® payments in the way described in this clause.

If a BPAY® payment is induced by the fraud of a biller or person involved in the BPAY® scheme, then that biller or person should refund you the amount of the fraud-induced payment. However, while we would assist you to pursue a refund, if that person does not refund you the amount of the fraud-induced payment, you must bear the loss unless some other person involved in the BPAY® scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced payment that is not refunded to you by the person that induced the fraud.

You must exercise care about the biller you deal with, the security of your Login Details and the accuracy of your instructions to us.

8.6 General information on transactions

When you or an Authorised User make a transfer or a payment on your Cash Account through Electronic Banking, the following general conditions apply:

- a. we will confirm the receipt of instructions to transact (although not the transaction itself)

- b. you should check your Cash Account records carefully and report to us as soon as you become aware of any payments that you think have been made in error or which were not authorised (see clause 8.9 for liability for unauthorised payments)
- c. you should notify us promptly if you become aware of any delays or mistakes in processing transactions
- d. you authorise us, and we are entitled, to act upon any instruction received via Electronic Banking in conjunction with the correct Login Details and other terms agreed between you and us
- e. we will not be obliged to effect a payment instruction if:
 - i. it is not made in accordance with these terms and conditions or the payment is prohibited by these terms and conditions
 - ii. the information given to us, or requested by us, is incomplete and/or inaccurate
 - iii. we are restricted or prohibited by law, regulation, industry code, or the requirement of a government or similar authority from permitting the payment to occur
 - iv. the instruction is not accepted by our system
 - v. there is a technical failure of equipment, our system or outside our system, which causes a delay in the transmission or acceptance of the instruction
 - vi. the financial institution to which the payment is to be made does not accept it or delays accepting it
 - vii. your or an Authorised User's right to participate in Electronic Banking is suspended
 - viii. there are insufficient cleared funds in the Cash Account from which the payment is to be made to cover the amount of the payment on the day the payment is instructed to be made, or
 - ix. the request would cause you to exceed any daily limit (on the day the payment is instructed to be made) we impose on your Cash Account or your use of Electronic Banking
- f. we will perform a payment instruction as soon as possible, however we do not guarantee that any transaction we are instructed to make will be made on the day or at the time requested, and
- g. we have absolute discretion to determine the order in which we give effect to payment instructions received.

8.7 Fees and charges

There are no establishment or ongoing fees for accessing or using Electronic Banking.

However, access and use of the Electronic Banking services may involve third party fees, including from:

- internet service providers
- telecommunications providers for downloading or using Mobile Banking, or
- call costs associated with accessing Telephone Banking.

You should refer to the relevant third parties for details of their fees and charges.

There may also be fees and charges that apply to transactions conducted on your Cash Account through Electronic Banking refer to the *Wrap Cash Account fees, limits and lodgement times* for details.

8.8 Enhanced security measures

For certain activities on your Cash Account, you or an Authorised User may be asked to comply with our enhanced security measures. Such circumstances may include when you or the Authorised User make a funds transfer to a new recipient, or make a BPAY® payment to a new Biller.

Our enhanced security measures provide an additional layer of security to protect you and us from unauthorised transactions and fraud. The measures may change from time to time at our discretion and include any appropriate method of authentication, or contacting you to verify the transaction or activity on your Cash Account.

Two-factor authentication, often referred to as “2FA”, is an authentication process which uses two different layers of security to verify your identity. For instance, for Online Banking the first layer of authentication relates to your Login Details and a second layer of authentication is imposed when you or the Authorised User initiate certain transactions or perform certain activities on your Cash Account. This additional layer of security may include, but is not limited to, the requirement to input an SMS Code, or answer security questions.

You or an Authorised User will be instructed to contact us to complete a transaction or other Cash Account activity if any enhanced security measure is not successfully satisfied.

8.9 Liability for unauthorised transactions

This clause 8.9 applies to Electronic Banking transactions carried out using Login Details without your or an Authorised User’s knowledge or consent (**unauthorised transactions**). You are liable for all transactions that are carried out with your or an Authorised User’s knowledge or consent.

a. When you are not liable

You are not liable for loss arising from an unauthorised transaction that occurs:

- i. due to the fraudulent or negligent conduct of our employees or agents
- ii. due to the fraudulent or negligent conduct of any companies involved in the electronic transaction system or merchants in the system, or their employees or agents
- iii. because any element of your Login Details is forged, faulty, expired or cancelled

- iv. before you or an Authorised User received a Secret Code and where the Secret Code was required to perform the unauthorised transaction
- v. due to the same transaction being incorrectly debited or credited more than once to the same Cash Account
- vi. after we have been informed that the security of a Secret Code has been breached
- vii. through the use of your or an Authorised User’s AC without the use of a Secret Code, or
- viii. where it is clear that you or an Authorised User did not contribute to the loss.

b. When you are liable

You will be liable for actual losses arising from unauthorised transactions that occurred before we are notified of the breach of security in relation to a Secret Code, where we can prove on the balance of probabilities that you contributed to the loss:

- through fraud
- by acting with extreme carelessness in failing to protect the security of a Secret Code
- by unreasonably delaying reporting a breach of security in relation to a Secret Code (although you will only be liable for the actual losses that occur after you or an Authorised User become aware, or should reasonably have become aware, of the breach of security, or
- where the security guidelines set out in clause 8.10(c) are breached.

You will not, however, be liable for:

- that portion of the loss on any one day, or in any period, that exceeds the applicable daily, or periodic, transaction limit of your Cash Account
- that portion of the loss which exceeds the balance of your Cash Account, or
- losses on which we agree cannot be accessed through the use of any Login Details.

c. Where your liability is limited

Where a Secret Code is required to perform a transaction and we do not establish that you have, or an Authorised User has, contributed to the loss in the ways set out above, your liability for loss arising from an unauthorised transaction in respect of a Cash Account that occurs before the breach of security in respect of your or an Authorised User’s Secret Code is reported to us is the lesser of:

- \$150
- the balance of your Cash Account, or
- the actual loss at the time that we are notified of the breach of security in respect of the Secret Code (except any portion of the loss that may exceed any applicable transaction limits).

d. System or equipment malfunction

Notwithstanding any of the above provisions in this clause 8.9 you are not liable for loss caused by the failure of any system or equipment to complete a transaction, which is accepted by that system or equipment. However, to the extent that you or an Authorised User should reasonably have been aware that any system or equipment was unavailable or malfunctioning, our liability is limited to correcting errors in your Cash Account and refunding any fees or charges that you have incurred as a result.

e. Account aggregation services

Some companies provide account aggregation services that allow you to view account information from different institutions on the one webpage, or download your account statements. These companies usually require you to give them your Secret Code(s). We do not endorse, promote, or authorise the use of account aggregation services in connection with your Cash Account. If you disclose any Secret Code(s) to another person, you will be liable for any transactions on your Cash Account made by that person using that Secret Code(s). Refer to clause 8.10 (Security) for more information.

8.10 Security

a. Security and Fraud

We are committed to providing the highest quality of financial services within a trusted environment. Please read the Security and Fraud statement (available online) for more information.

b. Equipment security

You and your Authorised Users must take all reasonable steps to protect the security of your respective computer hardware and software, and Mobile Device. Reasonable steps include:

- for computer hardware and software: protecting your computer from viruses and maintaining passwords
- for Mobile Devices: setting screen lock passwords and ensuring that others do not have access to the use of your Mobile Device.

You and your Authorised Users should log out from Online Banking and Mobile Banking at the end of each session.

You acknowledge that, for security purposes, we reserve the right at any time to log you and any Authorised Users out of Online Banking and Mobile Banking, for example if you or the Authorised Users are inactive for a period of time after having logged on.

Where you or an Authorised User remove some system level restrictions on a Mobile Device by, for example, 'jailbreaking' or 'rooting' the Mobile Device, you indemnify us for any loss arising from fraudulent activity carried out on the Mobile Device, including in respect of your Cash Account.

c. Security guidelines

The security of your and your Authorised User's Secret Codes is very important, as whoever has access to them may be able to perform transactions on your Cash Account. These guidelines are designed to help you keep your and your Authorised User's Secret Codes secure.

By following these guidelines, you and your Authorised Users can assist in preventing unauthorised transactions on your Cash Account. These guidelines do not determine your liability for unauthorised transactions. Your liability will be determined under clause 8.9 and any applicable codes of practice to which we subscribe.

To protect your Secret Codes you and your Authorised Users should:

- not disclose any Secret Code to anyone, including a family member or friend
- take care to prevent anyone seeing a Secret Code entered into a computer, Mobile Device or telephone
- try to commit all Secret Codes to memory and not record them by any means (including by storing them on a computer or Mobile Device, or any article that could be accessed or stolen along with a computer or Mobile Device) without making a reasonable attempt to disguise them
- not choose a Secret Code which can be easily guessed including, for example, a Secret Code that uses repeated characters, consecutive numbers, or a Secret Code that represents a recognisable part of your or their name, birth date, telephone number or driver's licence number, and
- change all Secret Codes at regular intervals.

The following are examples of what is **NOT** a reasonable attempt at disguising a Secret Code:

- recording the Secret Code in reverse order
- recording the Secret Code as a telephone number where no other numbers are recorded
- recording the Secret Code as a telephone number including the Secret Code in its correct sequence
- recording the Secret Code as a sequence of numbers or letters with any of them marked to indicate the Secret Code
- recording the Secret Code as a date (including a birth date) or as an amount, or
- recording the Secret Code in any other way that can be easily identified.

d. Reporting loss, theft or misuse of Secret Codes and devices

You or an Authorised User must immediately notify us if it is suspected that the security of a Secret Code or Mobile Device has been breached. You or an Authorised User must also promptly notify us of any unauthorised transactions on your account.

Please contact us 24 hours a day, 7 days a week, by calling us on 13 31 74.

If we are unable to be contacted by phone because our lines are unavailable, you will not be liable for unauthorised transactions which could have been prevented had we been contactable, provided we are told within a reasonable time after our telephone facilities become available again.

8.11 Third party websites

We may provide links to Third Party Websites through Online Banking or Mobile Banking for convenience. Where you or an Authorised User leave Online Banking or Mobile Banking via such a link, it is at your or the Authorised User's own risk. The information available through the link to the Third Party Website is not produced, checked for accuracy, or otherwise reviewed by us and we have no control over the information on Third Party Websites or the products or services on them. Inclusion of a link to a Third Party Website should not be construed as that party's endorsement of the Online Banking or Mobile Banking; nor should it be construed as our endorsement of the Third Party Website. By linking to sites operated by third parties, we are not authorising the reproduction of any material on such sites, as such material may be the subject of intellectual property rights.

8.12 Suspension and termination

We may, acting reasonably, suspend and/or terminate your or an Authorised User's use of and access to Electronic Banking for any of the following reasons:

- breach or suspected breach of these terms and conditions or any other incorporated agreements or guidelines
- where we believe that use of Electronic Banking may cause loss to you or us
- to comply with our obligations under any applicable laws (including any Anti-Money Laundering or Counter-Terrorism Financing laws and sanctions) or a court order
- fraud or suspected fraud
- requests by law enforcement or other government agencies, or
- unexpected technical or security issues or problems.

Where possible, we will give you reasonable notice of suspension or termination, however this may not be possible in all circumstances.

You may contact us to suspend your or an Authorised User's use of and access to Electronic Banking.

8.13 Notices

Where you agree that we may give all notices and other communications in connection with these terms and conditions electronically, we will do so:

- by emailing them to your last known email address or sending them through SMS to your last known mobile telephone number, or
- by making them available online.

If we are not required to obtain your consent before sending you such notices electronically, we may do so without seeking your agreement.

Where communications are made available online, we will notify you of this fact by email or SMS.

You should check your emails and SMS messages regularly.

8.14 Updating your contact details

You must ensure that the contact details that you provide to us, including but not limited to your mobile phone number and email address, remain up to date.

If your contact details change, you must let us know as soon as possible by contacting us.

8.16 Marketing and other communications

You acknowledge that use of Electronic Banking may involve certain communications from us, such as service announcements, administrative messages and marketing material and that these communications are considered part of the Electronic Banking service.

8.17 Confidentiality

We respect the confidentiality of the information of all our clients. Information which you provide to us will not be disclosed except where we are required or permitted to disclose it. This includes where we are compelled by law, there is a duty to the public to do so, our interests require us to do so or the disclosure is made with your consent.

8.18 Proprietary rights

You acknowledge and agree that both Online Banking and Mobile Banking consist of, and contain, Materials that are owned by Macquarie, its licensors and other contributors. - if you or the third party appointed by you breach any of the terms and conditions of your account
 - if we reasonably consider that you or any person authorised to act or purporting to act on your behalf is acting fraudulently or in breach of the laws of any jurisdiction
 - if we reasonably believe that your Cash Account is being used in a way that may cause loss to you or us
 - if we reasonably believe that it is necessary for business purposes, or
 - if we reasonably believe that it is necessary to comply with the law or any applicable code.
- 10.2 The circumstances set out at 12.1 above are for guidance only and do not prevent us from suspending, freezing or blocking the operation of your Cash Account for any other reason.
- 10.3 We will be under no liability to you if we do any or all of these things. Our rights under this clause are in addition to all other rights we may have.

11. Anti-Money Laundering

- 11.1 You must not knowingly do anything to put Macquarie in breach of the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006*, rules and other subordinate instruments (AML/CTF Laws).
You undertake to notify Macquarie if you are aware of anything that would put Macquarie in breach of AML/CTF Laws.
- 11.2 If requested you must provide additional information and assistance and comply with all reasonable requests to facilitate Macquarie's compliance with AML/CTF Laws, an equivalent law in an overseas jurisdiction, and/or its internal policies and procedures.
- 11.3 You undertake that you are not aware and have no reason to suspect that:
- any deposit to the Cash Account is derived from or related to money laundering, terrorism financing or similar activities (Illegal Activities), or
 - proceeds of withdrawals from the Cash Account will fund Illegal Activities.
- 11.4 You acknowledge that Macquarie is subject to AML/CTF Laws and/or its internal policies and procedures. In making an application, you consent to Macquarie disclosing in connection with AML/CTF Laws and/or its internal policies and procedures any of your Personal Information (as defined in the *Privacy Act 1988* (Cth)) Macquarie has.

- 11.5 In certain circumstances we may be obliged to suspend, freeze or block an account where it is used in connection with Illegal Activities or suspected Illegal Activities. Freezing or blocking can arise as a result of the account monitoring that is required by AML/CTF Laws and/or its internal policies and procedures. 12. Combining your accounts

- 12.1 We may, at any time combine the balances of two or more of your accounts held with Macquarie. For example, we may do this if one of your accounts is overdrawn or in debit and the other is in credit. However, we will not do this if for example:
- we know the accounts are not held by you in the same capacity (for example, where you have personal account and also an account as trustee for someone else)
 - we have specifically agreed to keep your accounts separate or your dealings with us suggest such an agreement (for example, because there is evidence of an agreement made in conversation), or
 - we are bound by a code of conduct not to do so (such as the *Code of Operation for Centrelink Direct Credit Payments*).
- 12.2 We will promptly inform you if we have combined any of your accounts. We need not notify you in advance.
- 12.3 You should not treat your accounts as combined unless we have agreed to such an arrangement. In the event that your accounts are combined, we may continue to apply separate interest rates to percentages of the combined balance in accordance with previous arrangements.
- 12.4 We may close any or all of your accounts and, whether or not any book entries have been made, treat any credit balances in those accounts as having been so applied and then refuse to make advances or meet obligations to you, for you, or for your accommodation as if the combined accounts had at all times been a single account.

We reserve the right to request additional documentation to meet our obligations under AML/CTF Laws and reserve the right to reject any such requests.
- 16.5 Proof of posting or transmission of any notice or statement to you shall be deemed to be proof of receipt of the notice or statement by you at the time when the notice or statement would in the ordinary course be delivered or transmitted notwithstanding the fact that you may not actually receive it.

 - a. acted fraudulently
 - b. unlawfully misused your Cash Account
 - c. acted in a way that could damage the reputation of the Macquarie Group

You agree that we may disclose any information or documents that we consider desirable to help us exercise this right.
