

VOYAGE EMPLOYER SUPERANNUATION CONTRIBUTIONS

Use the form attached to have your employer superannuation contributions paid to your Voyage Superannuation Master Trust account.

Contributing via SuperStream

Voyage Superannuation Master Trust accounts are able to receive employer contributions via SuperStream.

Employers or their service providers will require your account details and the following fund information to send contribution information and payments via SuperStream:

- Unique Superannuation Identifier (USI) and superannuation product name
- Australian Business Number (ABN)
- Electronic service address.

The USI and ABN for the Voyage Superannuation Master Trust, are provided on the next page of this form.

Employers or their payroll service providers can use the USI and ABN to identify the individual super product on the Australian Taxation Office's Fund Validation Service in order to obtain the crediting details and electronic service address for that super product.

Other ways to contribute

For employers who have not transitioned to sending contributions via an eligible SuperStream method, there are several other ways in which they can continue to contribute to your account.

Please note our direct credit (direct deposit facility) and BPAY® payment options for employer contributions are not eligible SuperStream contribution formats.

1. Contributing via Direct deposit plan

Please contact your financial adviser should your employer wish to contribute via Direct deposit.

2. Contributing via BPAY

- a) Login to internet banking or telephone banking.
- b) Select the BPAY or bill payment option and follow the instructions to enter the appropriate biller code based on the contribution type, your Customer Reference Number/BPAY Reference Number and contribution amount.
- c) Wait for the transaction to process and record the receipt number.

To make multiple contributions, simply repeat the process.
